

Ellis Hollow Community Center Web Site Permission Form

This form must be submitted by all persons wishing to allow personal information to be displayed on the Ellis Hollow Website. This form is not required for regular publication in the Ellis Hollow Gazette.

I hereby give permission for the following personal information to be displayed on the Ellis Hollow Community Center web site:

(Please attach or provide the information that may be displayed)

If other persons other than the named party (below) are included in the story/advertisement, you are responsible for obtaining permission forms from each person for their information to appear. Please include them with this form and send all the information/submissions together.

Name _____
Address _____
Email Address _____
Phone Number _____
Other Information _____ (Age, birth-date, etc.)

Photograph may be displayed (if applicable)

Artwork may be displayed (if applicable)

If the information is not provided or the check box is not checked, that information **will not** be displayed on the internet.

I have obtained permission forms from each person whose name or information appears in this story/advertisement, for said information to appear on the web site and have attached them with this application. Attached please find _____ (#) permission forms, including this form.

Name _____
Address _____
Signature or e-mail address _____ (When sending electronically, signature is not required, however, please include your email address here in lieu of a signature.)

For children (under age 18), a parent or guardian must sign or email this form.

Please send this form and other pertinent information, either electronically or in hard copy, to the Ellis Hollow Gazette Editor/Webmaster, lmelling@twcny.rr.com (mail) 1453 Ellis Hollow Road, Ithaca, NY 14850 or fax to 275-9363.

Once permission for your information is granted to appear, it will continue to be in effect for any future postings. You must contact the webmaster or Ellis Hollow Gazette editor to withdraw permission.
